## About Me

I am a passionate and creative Graphic and Web Developer with a keen eye for design and a strong foundation in web development. Skilled in transforming ideas into visually appealing and functional digital experiences, I excel at creating websites, branding materials, and digital content that engage and inspire.

## WORK EXPERIENCE

Aug 2018 - present

Head of Graphic and Web Design

Ministry of Livestock, Forestry, and Range

- Led the design and development of the Ministry's official website, ensuring a user-friendly interface and alignment with branding standards.
- Managed a team of graphic designers to create visual content for reports, campaigns, and official communications.
- Designed branding materials including logos, banners, brochures, and digital graphics to strengthen the Ministry's visual identity.
